## **Samaritan House dining room relocating**

*November 02, 2013, 05:00 AM*

Beginning Nov. 11, Samaritan House's Dining Room will relocate from Westside Church of Christ in San Mateo to a new, temporary location at the Martin Luther King Jr. Community Center at 725 Monte Diablo Ave. The service will continue to be open to the community, and boxed to-go meals will be handed out Monday through Friday from 5 p.m.-6 p.m.

Samaritan House's Dining Room currently provides more than 2,800 meals monthly and is part of the agency's food assistance program.

After 17 years of serving meals from the Westside Church, Samaritan House was informed that the property's owners had other plans for the location. The Samaritan House will be allowed use of space at the King Community Center through January 2014.
