

# Neighbor Helping Neighbor <sup>Volunteers!</sup>

Our space is limited, so we can only accept items we can give out immediately. For things we can't take here are two alternatives.

For furniture, household goods we recommend the Restore, Habitat for Humanity's fund raising enterprise. Since low-income housing is a priority for us, we support their mission. 1411 Industrial Blvd, San Carlos.

For all other items, women's and men's USED clothing, and shoes, luggage, bedding, towels, small appliances, books, cds, etc. we recommend St. Vincent de Paul. We support their mission to feed the needy. 40 North B Street, San Mateo.
