

POSITION DESCRIPTION

Position title:	Diabetes Educator
Candidate:	VACANT
Department:	San Mateo and Redwood City Free Clinics
Supervisor:	Medical Director
FLSA:	Part-time/Non-Exempt/ Hourly \$41
Effective date:	ASAP

OUR IMPACT

For over 45 years, Samaritan House has been leading the fight against poverty in San Mateo County. We're the only organization that delivers the full breadth of essential services and personalized support to the working poor. By ensuring our clients are fed, clothed, healthy, and housed, we help them create their own stability and remain an active, successful part of our community. After all, an enduring community is only possible when every person has the resources they need to live.

OUR CULTURE

We're passionate about providing our employees with a supportive work environment and experiences that help them grow. We offer excellent opportunities for individuals with proven strong, creative, results-driven leadership skills and stellar work ethics. We welcome candidates who love working with people of diverse backgrounds and want to make a difference by fostering community care for our neighbors in need.

YOUR IMPACT

The Diabetes Care and Education Specialist (DCES) delivers comprehensive and seamless services that bridge the gap and integrate clinical and self-management aspects of diabetes and cardiometabolic care. The DCES is an integral part of the interprofessional team and provides collaborative, comprehensive and person-centered care, and education conducive to behavior change and improved quality of life across the lifespan. The DCES supports and advocates for people affected by diabetes to optimize quality care. The DCES promotes self-management to achieve individualized behavioral and treatment goals that reduce risks and optimize health outcomes. This position may have three collaborative positions providing oversight toward the success of this role- the Medical Director and two Associate Medical Directors. This position is grant funded.

JOB REQUIREMENTS

Please note our preferred and in some cases required qualifications for this position:

Preferred Education, Licenses and certifications to be presented at time of hire–

- Bachelor of Science in nursing, dietetics/nutrition/pharmacy.
- Licensed Dietitian in California
- Certified Diabetes Educator

Preferred Experience- Minimum 1 year of experience in the following:

- Diabetes self-management education and support experience preferred.

Samaritan House prefers all candidates to be fully vaccinated (including any mandated boosters). This position is onsite. While on site all employees regardless of vaccination status are required to wear masks and social distance and abide by the Agency's Covid Protection Policies.

ESSENTIAL FUNCTIONS OF THE POSITION

1. Integrates skills and knowledge of pathophysiology, epidemiology, clinical management, cardiometabolic conditions, and self-management of diabetes into clinical practice.
2. Advocates for and communicates about improved quality of care and outcomes for those living with, at risk for, and affected by diabetes and cardiometabolic conditions.
3. Partners with individuals to deliver care and education conducive to behavior change and improved quality of life for self-management of diabetes and cardiometabolic conditions across the lifespan.
4. Engages in lifelong learning and serves as a role model of professionalism.
5. Provides quality diabetes self-management education and medical nutrition therapy in individual and group settings based on assessed needs. Utilizes appropriate teaching techniques that are sensitive to the learning preferences of the person with prediabetes or diabetes.
6. Follows the ADCES Diabetes Education Accreditation Program requirements which are based on the National Standard of Diabetes Self-Management and Support Guidelines.

7. Completes comprehensive assessments for each patient including emotional and behavioral health, interprets personal health data, develops an individualized care plan based on the patient' assessed needs and goals and promotes successful self-management.
8. Documents all individual contacts/visits in the Electronic Health Record and outcomes data base according to the guidelines in a timely manner.
9. Collaborates, advocates, and confers other members of the diabetes care team in developing person-centered diabetes plans.
10. Contributes to the achievement of established department goals and objectives and adheres to department policies, procedures, quality standards and safety standards. Complies with governmental and accreditation regulations.
11. Participates in meetings, serves on committees, and represents the department in community outreach efforts as appropriate.
12. Delivery of excellent client services. Perform all work within professional boundaries, excellent ethics/integrity and in good faith.
13. Demonstrate and work within Samaritan House values in all dealings with all Samaritan House constituents including but not limited to clients, staff, leadership team, etc.
14. Represent the organization in a professional and courteous manner at all times.
15. Regular and reliable attendance is an essential job function.
16. Assist in the maintenance of a safe work environment. Report and complete any necessary incident reports within 24 hours. Report COVID-19 policy violations. Discuss and review the incident report(s) with Supervisors.
17. Attend community and agency events, trainings and meetings as needed.
18. Other duties as assigned.
